

Theme

The theme of this year's conference will incorporate presentations and discussion about the role of the Bishop of Rome in the Church, how it has developed in the past, the current role of the Pope, and what the future possibilities might be.

Overview

The agenda will begin on Monday afternoon and conclude with lunch on Thursday. There will be plenary sessions by prominent speakers in the ecumenical dialogue between the Catholic and Orthodox Churches, a variety of liturgical worship services with full congregational participation, and many opportunities for fellowship with other participants and the speakers. Photos and excerpts from sessions of past conferences, a registration form, and online registration can be found at www.olconference.com. Videos of past conferences can be viewed at www.oltv.tv.
